COMPETITION

18-hole stroke play qualifier for 2-man teams. Players need not be from the same club. The plan is to have Four Flights. **Each flight will be based on the player with the lowest handicap index. (i.e. If your index is 2.1 and your partner is 18.1, your team will be in the Championship flight. If you are a 17.3 and your partner is 18.1, your team will be in the C flight).** The Flights will be designated before the Qualifier and the top eight Low Gross Best Ball teams of each flight will move to a Match Play format. The teams will be seeded from #1 to #8. Ties for the top eight spots in each flight will be decided by a scorecard playoffs at the conclusion of play.

The matches will be played **scratch**. Seeds 1 through 4 will host the first Match at their club (cart fees only charged for players.) The better seed (lowest number) will host each round matches. All matches must be played by the required date (First Match by July 12 and Semi Final by August 31 and the Finals by September 20). There will be no substitute players allowed, but a team may play one against two or one against one. No extension of the deadline will be granted.
